vs.)	CASE NO.
)	9423
COXTON WATER WORKS, INC.)	

SHOW CAUSE ORDER

On February 27, 1985, a periodic inspection was made of the Coxton Water Works, Inc., ("Coxton") by a staff member of this Commission. The report of that inspection described certain operational matters that were not meeting the minimum requirements of the Commission's regulations and recommended that corrective actions be taken by Coxton. A copy of the report was mailed to Coxton and a response with regard to the recommended corrective actions was requested by April 8, 1985. Coxton did not respond as requested and has not responded to the staff's follow-up letters dated April 24, 1985, June 10, 1985, and July 8, 1985.

After considering the matter and being advised, the Commission, on its own motion, finds that a hearing should be held in this matter.

IT IS THEREFORE ORDERED that Coxton shall appear at a hearing at the offices of the Commission in Frankfort,

Kentucky, on October 29, 1985, at 1:30 p.m., Eastern Standard Time, in Hearing Room No. 1, and show cause, if any it can, as to why it should not comply with the Commission's regulations: Water Supply Measurement, Section 7(1) of 807 KAR 5:066; Quality of Water, Section 4(a) of 807 KAR 5:066; Dead-end Distribution Lines, Section 9 of 807 KAR 5:066; Service Interruptions, Section 5(5) of 807 KAR 5:066; Customer Complaints, Section 8 of 807 KAR 5:066; Pressure Testing Device, Section 6(3) of 807 KAR 5:066; Pressure Surveys, Section 6(3) of 807 KAR 5:066; and System Maps and Records, Section 17 of 807 KAR 5:006.
